2 Education

2.1 Brunel University London

BSc (Hons) in Computer Systems Engineering
September 2021 - To Date

I am currently an undergraduate student at Brunel University London, where I am studying Computer Software Engineering. I am a hard worker and a dedicated individual. Prior to studying Computer Software Engineering, I was already self-taught in the subjects that encapsulate the art of Computer Science, such as coding (Java and Python), as well as programming. However, the skills I am currently obtaining from university, have been beneficial towards my growth and knowledge of the field.

2.2 Dr Challoner's Grammar School

A Levels
September 2019 - June 2021

At A-Levels, I studied Maths, Physics, and Computer Science. Within these fields of study, I have acquired essential skills such as problem solving, critical thinking, and analytical skills. The knowledge obtained from these subjects have enhanced my ability to work with quantitative data, as well as strengthening my time management skills. Subsequently, I was able to obtain an A in Computer Science.

2.3 GCSEs

September 2017 - June 2019

For my GCSEs, I had the pleasure of studying a total of 6 subjects, which were, English, Maths, Science, French, Religious Studies, and Computer Science. Within these subjects, I was able to obtain an A in Computer Science, Physics, and Maths.

I have also made many personal projects to build experience in the field. I have made a 3D renderer that can be programmed using Lua so that it can be controlled by the user using code. I also created a simple webserver to practice and understand how web services and networks work.

3 Pervious Work

3.1 Weston Analytics

Summer Internship

July 2023 - October 2023

I worked as a IT Technician over the summer at Weston Analytics, in which I had to reply to support tickets from employees and end-users. I also had to set up and initialise work laptops and phones.

3.2 Uxbridge College

Casual Enrolment Officer

July 2022 - September 2022

3.3 Ad Astra Tuition

2019

4 Interests/Hobbies

- Dance (Breakdance; participated in 2 shows as a teenager)
- Calisthenics
- Music Production (I've been making music since 2014)
